Time set aside for academic advising group meetings

For the first time, a group of students and advisors will meet to discuss their academic plans. This is a great opportunity for students to get advice from advisors and to learn more about the university's resources. The meeting will be held in a room that is specifically designed for this purpose. It will be a chance for students to ask questions and to get help with their coursework. The meeting will be held in a room that is specifically designed for this purpose. It will be a chance for students to ask questions and to get help with their coursework.

Opportunities to participate in Majors Week
